Extra Bold Sofa

Ultra-configurable modular sofa.

It goes straight, turns, undulates, winds back and weaves in and out of everything.

Tube after tube, the Extra Bold modular sofa changes shape and color with the flick of a finger. Alternating its 15 bold and soft colors or creating subtles gradations, the Extra Bold sofa will satisfy all your color, comfort and shape expectations.

Multicolored like a Verner Panton living Sculpture, gradient like a Rothko painting or monochrome like an Yves Klein piece, the Extra Bold modular sofa is much more versatile as any other.

Whether you want to follow curvilinear walls, bypass a fixed element in a space, or conform to the precise design you imagined, the Extra Bold sofa will take on the shape and size you have in mind.

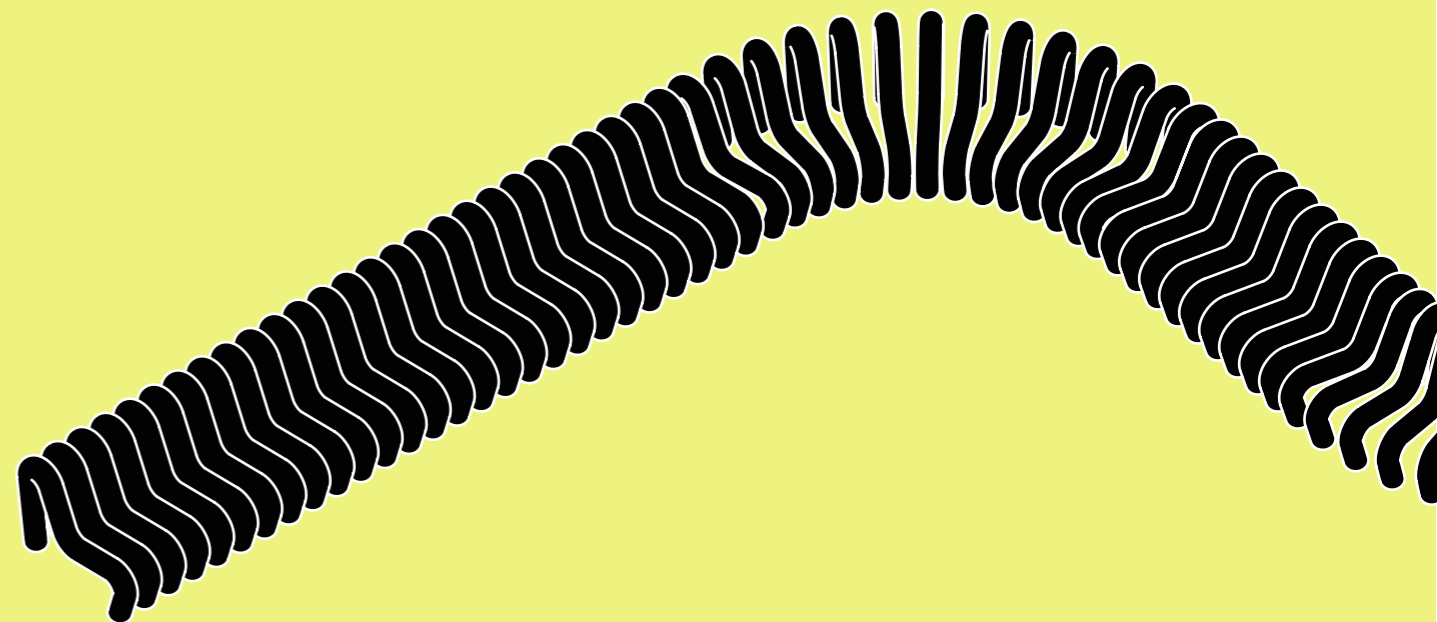

Initiated with the chair in 2009, the Bold collection is now taking a new direction with the Extra Bold sofa. It deploys a new constructive logic and a new plastic vocabulary, going beyond the principles of interweaving lines of the chair, stool, bench and armchair before it.

The latest development in an uninterrupted investigation into the functional applications of the continuous line in furniture design, the Extra Bold sofa introduces the notions of sequence and repetition and twists them to the point where they become tools in the service of a polymorphous and organic whole visually freed from the rationality inherent in its principle of modularity. Like a musical piece by Philip Glass or Terry Riley, the Extra Bold sofa succeeds in creating a narrative whole using the repetition of identical, regular pulsations and short patterns.

Ultra-resistant seamless cover made of 100% virgin wool with no production waste, developed exclusively for Moustache in collaboration with Kvadrat.

15 colors available and hundreds of possible combinations. Each tube cover can be replaced separately, avoiding the need to reupholster the entire sofa in the event of a stubborn stain. Made in France from high-density foam specially formulated for Moustache, and thanks to a waste-free production technique, the Extra Bold sofa is as comfortable as the mattress you dream of falling asleep in.
